

*Exploring the World of Science*

# ***ACCEPT THE CHALLENGE!!***

Science Olympiad wishes to acknowledge the support and cooperation of business, industry, government and education leaders for sponsoring the Science Olympiad program. Working together we can increase global competitiveness and make an investment in America's future by improving science and technology literacy. We wish to thank The George Washington University (2008 National Tournament Host Site) and Augusta State University (2009 National Tournament Host Site), the DuPont Center for Collaborative Research and Education, Texas Instruments, the Combined Federal Campaign (CFC), Discovery Education, The Abbott Fund, Lockheed Martin, Centers for Disease Control and Prevention (CDC), Science Chicago, Academy of Model Aeronautics (AMA), American Industrial Hygiene Association (AIHA), Chandra X-Ray Center (CXC), Delta Education, Institute of Food Technologists (IFT), MAKE Magazine, MAP Real Estate, Midwest Products, PITSCO, and Society for Neuroscience (SfN).

See the Science Olympiad Website: [www.soinc.org](http://www.soinc.org) for current information regarding Summer Institutes, Teaching Guides, CDs, DVDs and Standards.
