

*Exploring the World of Science*

# **ACCEPT THE CHALLENGE!!**

Science Olympiad wishes to acknowledge the support and cooperation of business, industry, government and education leaders for sponsoring the Science Olympiad program. Working together we can increase global competitiveness and make an investment in America's future by improving science and technology literacy. We wish to thank Augusta State University (2009 National Tournament Host Site) the University of Illinois at Urbana-Champaign (2010 National Tournament Host Site) and I-STEM, the DuPont Center for Collaborative Research and Education, Texas Instruments, the Combined Federal Campaign (CFC), Discovery Education, the American Egg Board (AEB), The College Board, Lockheed Martin, Centers for Disease Control and Prevention (CDC), Science Chicago, Academy of Model Aeronautics (AMA), Chandra X-Ray Center (CXC), Delta Education, In Search of Genius Foundation (ISOG), MAKE Magazine, MAP Real Estate, National Association of Watch and Clock Collectors (NAWCC), Network for Good, PITSCO, Society for Neuroscience (SfN) and VWR Education.

See the Science Olympiad Website: [www.soinc.org](http://www.soinc.org) for current information regarding Summer Institutes, Teaching Guides, CDs, DVDs and Standards.
