How to Make Ribbon Ruffle Socks

You need...

ribbon* -1 yard
socks** - one pair
thread
sewing machine
scissors

By: Susan Huberty

RIBBON

Skill Level:
Easy
Beginner

How to:

Please read over all instructions carefully before beginning your project!

*Ribbon should be between 1/2 inch and 1 1/2 inches wide.

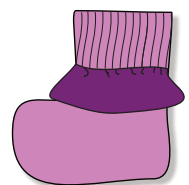

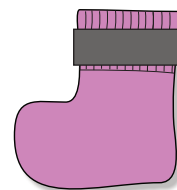

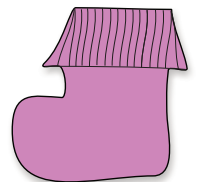

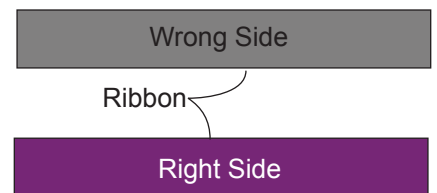

**Socks should be the style with the fold-down cuff.

1. Figure out the amount of ribbon to cut by stretching the top of the sock cuff out almost as much as you can. Measure the distance around the widest part of the stretched sock and add one inch (for seam allowance) to get the ribbon length to cut for each sock (cut two pieces the same length).

2. Take one of the ribbon pieces and put the two ends right sides together. Stitch along the edge in a 1/2 inch seam. Finish edge off with your method of choice (zig-zag, serge, seam sealant, pink). Repeat this step for both pieces of ribbon. You should now have two ribbon circles.

3. With right sides together, and edges even, fit the ribbon edge to the bottom of the sock along the lower edge of the cuff. Distribute fullness evenly, having ribbon seam at back. Stitch around. Repeat with other sock.

4. Turn ribbon ruffle over, bringing the right side of the ribbon to focus. Repeat with other sock.

Step 4

Enjoy!
